Special Black

Onyx Black

Smooth, clean lines or textured to give a traditional hand-crafted look – these stunning black and white bricks are exclusive to Ibstock.

The Special Black is a sandcreased stock brick available in four sizes – 215 x 102 x 65; 207 x 98 x 50; 207 x 98 x 65 and 240 x 115 x 71. This is a truly black brick with deep creases to give a very traditional feel.

Onyx Black is a smooth, wire cut brick available in two sizes – 215 x 102 x 65 and 207 x 98 x 50. Only recently launched this superb brick can be used in any situation to create a unique design.

Special White

Vitessa White

The Special White is a sandcreased, stock brick available in four sizes - 215 x 102 x 65; 207 x 98 x 50; 207 x 98 x 65 and 240 x 115 x 71. This is as close to a truly white brick as you can get with clay products and will look stunning in work.

Vitessa White is a smooth, wire cut brick with a light silversand finish and available in two sizes - 215 x 102 x 65 and 207 x 98 x 50. A very pale ivory shade that will work well in feature work.

Whichever brick you choose these black and white options are bound to create a stir. So if you want a unique product to really make your designs stand out, order Dzine Line Exclusives. Call 0870 903 4030 for samples or 0870 903 4000 to place an order
